Dear Mr. Johnson,

I have just made arrangements for another Negro National League Doubleheader at the Hawkins Stadium, Albany, N.Y. on Sunday July 14th.

The management of both teams would like you to handle the same work that you did the last time for the same consideration which was \$20.00 plus \$12.00 for the distribution of posters. The posters will be sent to you tomorrow.

I want you to work real hard on this game and put it over real big.

If you want another information get in touch with me.

Do you want any mats and press sheets sent to you?

Very truly yours,

W. A. LEUSCHNER.
